## KEEPING OUR NEIGHBORHOODS BEAUTIFUL

The accumulation, collection, or storage of solid waste or discarded vehicles on private property in residential areas is prohibited without approval from the City. These rules serve to maintain an attractive appearance and a safe environment for all of our city's neighborhoods.

### COMMON PROBLEMS

Storage of discarded vehicles and accumulation of solid waste on private property.

Most common types of solid waste on private property in residential areas:

- ✓ Wood scraps
- ✓ Metal scraps
- ✓ Discarded appliances
- ✓ Construction debris
- ✓ Household garbage
- ✓ Discarded household items

#### What is a discarded vehicle?

A vehicle is considered discarded if it meets two of the following conditions:

- ✓ Appears to be inoperative
- ✓ Appears to be wrecked
- ✓ Is in obvious disrepair
- ✓ Displays no current vehicle registration plates
- ✓ Is totally or partially dismantled

If kept on private property, a discarded vehicle must be stored indoors and out of sight.

#### What is solid waste?

- ✓ Garbage (all food waste)
- ✓ Rubbish (glass, metal, paper, wood, and plastics)
- ✓ Used construction materials
- ✓ Discarded home appliances
- ✓ Other discarded solid materials

#### How much solid waste is too much?

The accumulation of solid waste may constitute a violation if it:

- ✓ Attracts rats, vectors, or animals
- ✓ Poses a public safety risk
- ✓ Contains potentially toxic substances
- ✓ Decreases the aesthetic value of a neighborhood
